The UNITED STATES ATTORNEY, Central District of California, Andre Birotte, Jr., presented an award today to Santa Barbara County Deputy District Attorneys Hans Almgren and Kimberly Smith and Santa Barbara County District Attorney Investigator Robert Lowry for their **DISTINGUISHED SERVICE** this past year. This award recognizes their hard work, professionalism, and skill in *OPERATION GATOR ROLL*, the joint federal-state gang sweep that so successfully impacted the gang problem on the east side of Santa Barbara. Their efforts led to successful federal and state prosecutions and significant prison time for the offenders.

We applaud them and their efforts and join the United States Attorney in recognizing this accomplishment.
