

Cyberbullying

What can we do to keep our children safe?

In this age of technology, children can go online and exchange messages, photos, and videos with almost anyone from almost anywhere.

Allowing children to go online without supervision or ground rules is like allowing them to explore a major city by themselves.

**Please join us at any one of the following locations
to learn more about this important issue.**

Santa Barbara High School - Cafeteria

Thursday, **March 10, 2011** / 6:30-8:00 p.m.

**Dos Pueblos High School
Performing Arts Center**

Monday, **March 14, 2011** / 6:30-8:00 p.m.

San Marcos High School - Auditorium

Thursday, **March 24, 2011** / 6:30-8:00 p.m.

Education is the first line of defense to combat the growing threat of cyberbullying and other cyber crimes aimed at children.

Join the Santa Barbara School Districts, Santa Barbara County District Attorney's Office, Anti-Defamation League, and the Santa Barbara County Sheriff's Department to learn about cyberbullying, the dangers posed by emerging technologies, and how to promote internet safety.

We'll talk about the harmful impact cyberbullying has on children, geo-tagging, internet predators, and more.

For more information, call (805) 564-6670.
